About Pawan Group

Pawan Group, an ISO 9001, 14001 and 18001 accredited organization, is a leading real estate developer with a primary focus on development of residential, commercial and hospitality properties. Established in 1981, Pawan Group is based in Vadodara with numerous world-class projects ranging from affordable homes, luxurious apartments, infrastructure ready plots to designer bungalows, commercial infrastructure and premium villas.

Mr. Chetan Shah laid the foundation of Pawan group in the year 1981. Leading a handful of associates, he provided a strategic direction to the company, leaving behind a trail of successful real estate developments since 3 decades.

Pawan Group boasts a fully integrated property development team consisting of experienced realtors, engineers and architects who oversee the development of properties right from inception till the completion. What sets Pawan Group apart is their quality-centric and vigilant approach in selection of materials that ensure complete safety and environmental norms are met.

Serving to diverse range of customers, Pawan Group boasts a wide portfolio of projects. From high-end luxury villas, designer bungalows to affordable apartments, each project of ours bears a distinctive stamp.

All along, 'the Winds of Change has steered the organization forth. Utilizing the latest technology in construction, being associated with the most prominent architects, a team of experienced civil engineers, has helped Pawan Group to be at the forefront of change and create monuments in concrete. With new projects such as lifestyle homes, weekend homes, satellite cities, resorts & clubs in the pipeline, Pawan Group is poised to expand its horizons across the region.
