Empowered by the vision of providing global- class living spaces in tranquil settings, Geown is all about helping people to find their kind of property. Tastes, interests and aspirations dictate the living space each one of us is in search of. Recognizing this deep felt need, Geown provides the basics for discovering the one right for you in every possible way. Ideal locations are earmarked for dream projects that transform desires into reality. Maintenance of transparency and value-based dealings ensure that every relationship is a long term one. The people who make things happen being quality- conscious idealists, every project that comes from Geown is invariably a blend of the practical and the fantastic.

## DIRECTORS

### Mahesh Sudhakaran

An MBA in Sales & Marketing from the University of California, he has an instinctive grasp of emerging real estate trends and customer orientations. His decade long experience in this sector has witnessed the rise of many a prestigious residential and commercial project which lends the cutting edge to his acumen of recognizing the right location for the right people.

### Dhiraj Kumar

A Civil Engineer by qualification, he has an in-depth understanding of the fundamentals of building construction. With an impressive background of having served the real estate scenario through successful residential and hospitality projects, he is a people's man in every sense of the word.

## PROMOTER M.A. Jai Prakash

A Person having vast experience in improving and developing the lands in various parts of the Bangalore and succeeded in his projects viz., "Makam Plaza" in Malleshwaram, "Sri Sai Plaza" in Banashankri, "Smileegreens" & "Smilee Orchards" at Off: Hosur Road, "Viswapriya Greenaries" at Begur by developing and marketing of projects and also having experience of making in Industrial project on Hosur Road, Bangalore.

Bangalore's salubrious charms are on breath-taking display at the misty panorama of

Avalahalli, off Hosur Road. Comfortably spreading itself across an immense stretch of 12 acres, the farm township is all set to arise amidst lush greenery and a soothing atmosphere. The ambience is designed to capture the essence of peaceful rural delights, with offers of three different plot dimensions to suit every need. The residents have the privilege of waking up to birdsong and lulled to tranquillity by fresh breeze carrying the scents of the countryside. Geown Mist strives to create a lifestyle wherein one can de-stress and relax. Every amenity is detailed to meet global-standard quality to ensure a style of living that is class apart.
