

Harmony Rizvi Complex (Bandra -west)

The Rizvi Heritage

300 buildings in 27 years!

Averaging 15 buildings every 12 months, Rizvi has emerged as a major builder in Mumbai and Goa.

The numbers become significant if one considers the fact that for the last 20 years we have been completing more than a building a month ! Our reputation has been built up over these years due to our speedy construction, timely completion and the ultra modern facilities that we offer.

In the words of Dr A.H. Rizvi, Rajya Sabha Member of Parliament and our founder, constructing high quality residences is our business whereas delighted residents are our goal !
