

Song of **TERRA**

PRESENTED BY
**EARTHEN
HUES**

A lush green field of grass with a white rectangular frame on the left side containing the text 'ABOUT SONG OF TERRA'. The background is a soft-focus green field, and the foreground shows sharp, detailed blades of grass.

ABOUT SONG OF TERRA

CREATE A HOME THAT DEFINES YOU, IN EVERY WAY.

When we offer you nature at its rawest best, you have the power to mould nature and create the most beautiful masterpiece which becomes a ballad with beautiful stories and memories; to be heard by generations to come.

Song of Terra is a premium project offering plots, where you get to take control of what you wish to build. With Song of Terra, we aim to be the foundation of that home which can be part of your most beautiful memoir.

ABOUT EARTHEN HUES

WE HAVE A STRONG BOND WITH EVERYTHING THAT SPEAKS NATURE, AND OUR FAVOURITE IS THE VERY EARTH THAT GAVE BIRTH TO MANKIND.

We find beauty in every hue the soil beholds and believe in creating something out of them, that mesmerizes your senses.

Song of Terra is a passionate project by Earthen Hues. Coming with a strong background in IT, telecom and real estate, the founders possess immense knowledge on what their customers expect while looking to settle into a place that they can call 'Home'.

WE HAVE UNDAUNTED LOVE FOR NATURAL LOCATIONS THAT ARE CONVENIENT AND PICTURESQUE.

We, at Earthen Hues believe in doing our homework extensively, only to provide you locations that are worth your investment.

Song of Terra is conveniently located just off the NH7 (Bangalore-Hyderabad Highway), about 0.9 km away from the express highway, just 5 minutes before hitting the airport and a 30 minute drive from MG Road. Flanked by the best hospitals, schools, malls, hotels, famous upcoming projects and with KIADB industrial area just 8 km away; Song of Terra is set to be part of a prime hotspot soon.

AMENITIES

The amenities include:

- Premium gated community with security
- Peripheral compound wall
- Black top roads with pavers
- Adequate footpath with 'sensor controlled' street lights
- Water connection up to the plot
- One common power supply (electric connection) for common amenities such as lights and bore well
- Well planned sewerage and storm water drains
- Overhead water tank
- Rain water harvesting
- Exquisite landscaped garden with pleasant sit-outs
- Children's play area

WE DON'T JUST PROVIDE YOU THE LAND, WE MAKE SURE YOU CAN LIVE ON IT AS WELL!

Song of Terra is not just about earthiness, it's also about how to make your life easier and creating that perfect surrounding for you.

Our much researched and executed landscaping includes:

- Dense and tall bamboo ridges strategically placed in certain locations to ensure a purified environment
- A plantation of 100 Neem trees as a pollution fighter natural pest and disease controller
- Gold and pink flowering trees
- Uniquely textured garden

With all important amenities to help you kickstart building your new home, you can settle sooner and be part of a luxurious township.
