

**Live
Green!**

HOMES IN THE HEART OF NATURE.

CASAGRAND
Verdant
VEDAPATTI

Casagrand Real Estate Enterprise is committed to building aspirations and delivering value.

In the last thirteen years, we have developed over 9 million sft of prime residential real estate across Chennai, Bengaluru and Coimbatore. 68 landmark properties and over 4000 happy families stand testimony to our commitment.

In line with our philosophy of creating superior living spaces that reflect our belief, we also offer tastefully chosen plotted development spaces in select locations.

In the fourteenth year of our journey, we at Casagrand are all set to progress further forward with projects worth over `6500 crore in the pipeline.

How about a morning **coffee** with **Nature** for company?

CASAGRAND **Verdant** VEDAPATTI

A whole new land, a green wonder awaits you. Just 10 minutes from the commercial hub of RS Puram, discover the lush, green beauty - Casagrand Verdant. A slice of pristine goodness in the form of 103 Villas & 52 Apartments in an expanse of 8.9 acres. Superior homes, sophisticatedly built and the best part, surrounded by lush fields on all sides. Product Superiority

Premium community design

- Casagrand Verdant as the name goes gives you a “Green” community of 103 spacious veblen villas with themed landscapes
- Contemporary new age architecture with modern elevations
- Most of the units are independent with no wall sharing
- The double height living/dining space add depth and dimensions to the house with ventilation, greenery, eco design and the expanse of space it creates
- Efficiently planned MID-LANDING family lounge for more privacy to bedrooms in most units
- Meticulously designed landscapes with wide roads, lush greenery, and play areas for kids
- The rear side setbacks provides excellent garden/evening sit outs
- Premium villas with high-end specifications, terrace and landscape garden areas
- Double car parks for most of the villas
- Clubhouse is located at front allowing controlled entry & exit of visitors ensuring security and wow feeling

Wide internal driveways

- The 7.2 mtrs (23-feet) wide driveways in the community provides a comfortable drive way for the community
- Efficient management of traffic with single way driveway

Vaastu compliant

- All villas main door (entrance) facing North/East only
- All villas have SW bedrooms
- All villas have kitchen in NW or SE corner
- All villas have kitchen hobs facing the East
- No villa units have North facing headboards
- No villa units have NE & SW toilets

Senior citizen friendly

- Thoughtfully planned to make community senior citizen friendly having all the places as wheel chair accessible

No cross over in living

- Villas have no crossover in the living room providing you uninterrupted gatherings and entertainment

Ventilation

- Well-designed layout of all the living/dining and bedrooms provide uninterrupted cross ventilation and natural light from all sides

Interior planning

- TV position for every room
- Bed location with side tables
- Appropriate location for Electrical layout

- Counter top wash basin for master toilet
- No bedroom having dimension lesser than 10 feet
- Wardrobe space planning - Most of bedrooms have been designed to have wardrobe niche so that wardrobe does not waste space in bedroom and you get more usable space for furnishing. And walk-in wardrobe provided in master bedroom of most of the units

No dead space

- Internal and external spaces have been designed with zero space wastage giving you maximum usable area in your villa

Privacy

- Most of the villas have foyer at the entrance to ensure no direct overlooking into the house from the door
- All bedrooms have been designed in such a way that they are private and visitors in living does not directly look into bedrooms while sitting in the living
- Common washbasin near dining in most of the units

Secured Community

- Design has been done in such a way that entry and exit of project is having security room for controlled entry and exit to project
- Compound wall of 7 feet height will be provided
- CCTV at pivotal points across the community

Kitchen space planning

- The spacious kitchens have enough space to fit all the little gadgets that make your life in the kitchen easier
- A separate utility space is provided for sink with drain board, washing machine etc.

Amenities

- 12 exclusive lifestyle amenities featuring Swimming pool, Tennis court, Cricket nets, Children's play area etc.
- Club house comes with ultra-modern amenities such as fully equipped gym, mini theatre, indoor games, multipurpose hall etc.

APARTMENTS

- Vaastu compliance – utmost importance given during design phase to have all the units Vaastu compliant
- Apartments are also provided with balcony attached to 19 feet living and dining
- None of the bedrooms and balconies look into bedrooms and balconies of other house
- All bedrooms and balconies are planned in such a way that they look outside so that each bedroom has good view and ventilation
- No anti space – internal spaces are meticulously designed to ensure that it is practically usable
- Ventilation – all internal and external spaces are well lit and ventilated to external open areas
- Planning for ODU locations – during design phase we have planned and created spaces for placing ODU of AC's so that this area is accessible for service and you do not have problem fixing ODU's
- Well lit and ventilated corridor at both ends, so that there will not be any requirement of lighting the corridor during day time
