

Viva City

Virar West

Now live in your own city of joy.

A home built in nature's lap.

The suburb of Virar is surrounded by greenery and serenity and, with this luscious green landscape, it has become a perfect locality for living a peaceful and calm life away from the hustle and bustle of a crowded city. Today, the VIVA Group has become a household name with already more than 5000 homes constructed and over 2000 families happily settled in them. Since the last 25 years, the VIVA Group has

been continuously contributing in the development of Virar as a preferred place to own a dream home at affordable prices. The VIVA Group has been a pioneer in the fields of construction, retail, hospitality and education in Virar. Many supermarkets and restaurants between Vasai and Palghar are owned and operated by the VIVA Group. There are also several reputed graduate and post graduate educational institutions run by the VIVA Group in Virar.

A serene landscape like no other.

The time you spend with your family at home and the special occasions that you cherish with them are memorable for you. Hence, we have designed our homes to provide the perfect ambience for the special moments that you celebrate with your loved ones. Our homes are built with exclusive amenities and aesthetic design to enhance the joy of living for you and your family. The spaciousness at our homes and the serene landscape outside will make your mind unwind in comfort like never before. Located amidst 3 million square feet of verdant nature, the homes at Viva City will steal your heart away with its beautiful green surroundings. It also has educational institutions, shopping facilities, lifestyle and entertainment options, resorts and beaches surrounding it. We have been vivaciously building homes that everybody dreams of and now we are bringing it to you in the form of Viva City.
