SUSTAINABILITY. THE FINAL FRONTIER.

Vaswani Starlight is future forward when it comes to sustainability. The design anticipates likely issues that cities will face in the future, and has factored these into the plan, like rainwater harvesting, sewage treatment, organic waste converter, water-efficient sanitary fittings & fixtures, LED lights in common areas and a water treatment plant. The design scores high on accessibility, with ramps and wide doors to enable wheelchair access.

VASWANI

Our story is best told through the experience of one of our customers. We build homes that last a lifetime. We also build lifelong relationships.

This NRI customer had bought a Villa from us more than 25 years ago. Unfortunately, they seemed to have misplaced the original sale deed, so they took a chance and approached us. In no time, we got them what they needed. "If we could give Vaswani 10 stars we would. We had purchased a residential villa from Vaswani in 1999 and more recently we needed some help from Vaswani. Their willingness to help a customer from 25 years ago is commendable and praise worthy. They went above and beyond to help us out. This unparalleled customer service is not common, especially 25 years after a transaction was made. Our sincere thanks to everyone at Vaswani and we wish them great success in all their endeavors" they wrote.

Our customers are our best ambassadors. They are the wind beneath our wings. They spread the good word about us in their circles of influence, and that's how the Vaswani Family has grown for the past 39 years.

It's because the customer is at the heart of every decision, that we have acquired a solid reputation for delivering the most high-end, well-designed and well-finished, environment friendly residences and other spaces. Recently, our project Vaswani Exquisite has been awarded the Best Luxury Residential Project-South Zone , at the CNBC-Awaaz Real Estate Awards 2023.

And now with Vaswani Starlight is an opportunity to take the first step on your memorable journey with us,

VASWANI STARLIGHT AT A GLANCE
