COMING HOME TO**

The furniture shown in the picture is for representation purpose only,
and shall not be provided with the residential unit.

Spanish homes have a unique design, blending style, substance and space. Drawing influence from these, we have created living spaces that are warm and welcoming, inspiring a spirited lifestyle.

The designer lobby will welcome you with all its grandeur, and then lead you to the panelled main door with antique brass-finish fittings. Inside the home, vitrified flooring along with walls covered in fresh O.B.D paint, together, lend a plush feel to the house. The finer details have a distinct Mediterranean appeal, making the interiors charming as well as captivating.

GOING FOR IT. ARE YOU?**

Actual image

Spanish-influenced architecture adorned with new-age amenities, easy connectivity, and a prime location at Baner Annexe, Mahalunge... Sounds like an ideal investment*, right? Well, that is Puraniks Aldea Espanola for you.

Proximity to Mumbai and the ascent of Baner in the recent past makes it all the more tempting.

A silent town for decades, Baner, came into limelight when it hosted the Commonwealth Youth Games in 2008. Since then, it has only moved up in every aspect: infrastructural, commercial as well as residential. In fact, in the last five years, Baner has witnessed phenomenal growth in property prices!

What added to its splendid rise is the proximity to major IT companies, which made it a high rental market.

In fact, the city of Pune, as a whole, has been experiencing stupendous growth. It features amongst the Top-10 cities in India by per capita income*. It is also the 2nd best city in India by standard of living**. The selection of Aundh-Baner-Balewadi belt for advancement under Union Urban Development Smart City Project*** is undoubtedly delightful news.

Pune has been basking in glory, attracting everyone from home-buyers to corporates. It's a clear sign that this is the right time to invest, and feel proud of your smart decision in the coming years.
