1.	Based on our observations, it appears that Tanish Associates has not maintained a separate RERA account for the project. Instead, the amount received from customers for this project has been deposited into a regular current account. Specifically, according to Table A, the amount collected from allottees for this project for the Financial Year is 39,85,84,892.29/- .This amount is the sum of all the funds received from customers for this specific project only.
2.	The amount deposit of Rs. 39,85,84,892.29/- is being shown as equal to the total amount collected from allottees because no separate account has been maintained for the project.

Yours faithfully,
