"The project has 333 car parks as per the approved layout plan. Since all the units in the project are less than 60 square meter, we are not allocating the car parks on a mandatory basis. The car parks will be allocated to those customers who want a reserved car park on a 'first-come-first-served basis'. If there are any car parks that are left out after the completion of the project and 100% unit allotment , those car parks will be handed over to the association. Apart from this 325 car parks, another 8 car parks have been allocated for club house "
