Dear Sirs,

I request that I be allotted residential premises in the above mentioned project.

My preference is for Unit number: _____ on _____ floor.

I had been to your office and you have shown me all the documents and have given me all the information and details of the project and you have fully disclosed all information on the project. I have seen and understood details of the project.

The area of this unit is as under:

- a. Carpet area calculated as defined in the RERA _____ sq. mtrs
- b. Usable area of open/enclosed balcony as sanctioned _____ sq. mtrs
- c. Usable area of private terrace _____ sq. mtrs
- d. The sum total of a, b and c above is _____ sq. mtrs.

I have been informed that the flat will be sold on carpet area basis and that I am required to pay my proportionate share for the common areas (excluding area of parking). I was informed that the proportionate share in the common areas (though higher) will be capped at _____ sq. mtrs in arriving at the total price. I understand that the total (d) above + proportionate share in common area (excluding area of parking) is _____ sq.mtrs.

The common areas, along-with the areas occupied by the open and covered parking, which will eventually be conveyed to the ultimate body. I have been informed that my proportionate share in the parking (calculated as a proportion of my carpet area to the total carpet area of all units applied on the total parking area) works out to _____ sq. mtrs. I understand and accept that I may be permitted to park my vehicle/s -within this space, and that every Apartment purchaser will have his proportionate parking space to park his vehicle/s on this basis.

I submit this offer to acquire the above flat and request that you consider it favorably.

after deducting 1/3rd for land deduction) Rs. _____

after deducting 1/3rd for land deduction) Rs. _____

(GSTIN – 27AAAAG3713H1Z0)

Stamp Duty as applicable Rs. _____

Registration charges as applicable Rs. _____

Note: I understand that the consideration for the unit in our offer has been arrived after adjusting & deducting the Input Tax Credit Benefit under GST and no further benefits of credit will be claimed from you.

I am desirous of parking my vehicle in the space defined above within the project and request that this space be provided with (a) a conduit laid from the power meter to this space. The amount offered by me for the same is Rs. _____ & the same is included in the total consideration above.

I have been informed that entire/total/collective parking spaces are a part of the common parking areas to be conveyed to the ultimate body. However, since each Apartment purchaser has his proportionate share in the parking areas, it is suggested that if Apartment

purchasers are provided designated areas for their parking spaces, a sense of comfort will be achieved. Hence I request that the parking space be designated for me, and I hereby give my consent for similarly designating of parking space for other Apartment purchasers. I request that the agreement for sale with me and others should state that for the purpose of convenience, all parking spaces will be earmarked for such Apartment purchasers so as to avoid unnecessary inconvenience to all. I agree that this choice having been made, will not be changed or modified by me, and the allotment of the parking spaces may be modified by the ultimate body and that I shall not hold you responsible for any changes made by the ultimate body after conveyance.

I request you to earmark Open/Covered/Single car park in common parking area for my vehicle/s for convenience of all concerned as per the grid below.
