

1. Technical approvals were by accident
for only
creating a link under process 26231. It
was not possible to find the information
of the technical approval. And 26232
was not possible to find the information
of the technical approval. Last
Friday, I was 3rd time trying to find
the link of the technical approval. I
was not successful. I was not able to
find the technical approval.
