IMPORTANT NOTES

- 1) In case of a project under construction, work done percentage (%) keeps on changing daily. We have physically inspected the building and visited a number of flats on a sample basis to assess internal work done. Our estimate of work done and estimate of cost to complete the project is based on our survey, along with information provided by builder's site representative, our knowledge of current rates of material and labour, our experience and judgement. Any variation in rates of materials and labour shall require a re-consideration of the estimate.
- 2) Emphasis of this report is on percentage (%) of progress rather than physical measurements, verifying whether the construction is as per approved drawings or not, legality of Title, specifications, checking of lines, levels, genuineness / validity of the documents provided. They are taken by us on the face value.
- 3) This estimate is prepared solely for certification required under MahaRERA act and for no other purpose. Especially, it is not to be used by any private or institutional lenders for releasing stage wise payments, etc.
- 4) We have no interest in the property surveyed.
- 5) This certificate is issued on actual inspection to the best of our knowledge and is without prejudice.
