THE DEVIATION REPORT

The Deviation Report with respect to the format of Allotment Letter.

This is to inform to RERA Authority that there are no Major deviation in the format of Allotment letter issued to Allottees, as per given RERA format.

The only one deviation of minor change is incorporated as follow-

- 1) No sell of Garage / covered parking spaces to the Allottee.

At clauses No-1 a) sub clause ii & iii - The area of CIDCO lease plot is small and because of approval of plan for 4 shops on ground floor of the building no stilt area or covered parking area or space is available for car parking. Hence promoter is not able to sell the parking place or spaces to the Allottee, hence these clauses are deleted.
