Sub: Declaration for change in the building plan

Dear Sir/Madam,

We had registered our project **Revanta** (registration no. **P52100014793**) with Maharashtra Real Estate Regulatory Authority(02/01/18)

This is to inform that we have revised our building plan.

Our old plan was of 1 and 2 BHK flats. Its commencement No. was BP/RAVET/126/2017 (Dated 07/12/2017) which was registered with RERA (NO **P52100014793**)

We have changed the plan due to new BRT rule. The new plan has only 2BHK flats. Its commencement No is BP/Layout/RAVET/72/2018 (Dated 04/07/2018)

We confirm that we have not done any booking or sale agreement in our project.

So please allow us to make change in the project and give us necessary permission.

Thanking you,
Yours faithfully,
P4 Properties
