

ADDITIONAL INFORMATION RELATING TO THE PROJECT
(To be read in conjunction with Form A)

1. The Promoter is undertaking the development of all those pieces and parcel of land admeasuring approximately 1,01,153.10 square meters bearing C.T.S. Nos. 107/E, 141, 142, 155 and 155/1 to 12 of Village Magathane, Taluka Borivali, Mumbai Suburban District hereto (**“the Larger Property”**) and is more particularly delineated in red colour in the attached Approved Layout with Phase/User Superimposed (**“ALPS”**).
2. The Promoter is undertaking the development of the Larger Property (**“the Whole Project”**) in a phase-wise manner. The development of the Whole Project is known as **‘Sky City’**. The Promoter proposes to utilize a total FSI of 4 on gross plot area of the Larger Property plus compensatory fungible FSI plus free of FSI areas together aggregating upto approximately 655,473 square meters plus the parking area and the amenities (**“Full Development Potential”**) in the course of the phase wise development of the Whole Project.
3. The development of the Whole Project known as **‘Sky City’** consists of Non-Residential Component and Building No. 1 comprising of Towers A, B, C, D, E, F, G and H out of which Towers A, B, C and D of the said Building No. 1 are presently being developed as a phase of the Whole Project and proposed as a “real estate project” by the Promoter and being registered as a ‘real estate project’ (**“the Real Estate Project”**) by the Promoter.
4. Without prejudice to the information provided in connection with the registration of the Real Estate Project under the RERA including Form A, the Promoter hereby states the following:
 - (i) The Promoter has commenced the process of obtaining the necessary approvals for construction and development of a multi-storey Public Parking Lot (**“PPL”**) as a scheme and component of the Whole Project at any location on the Larger Property including beneath the Real Estate Project in accordance with the provisions of Regulation 33(24) of the DCR and applicable law, which PPL will eventually be handed over to the MCGM, and which will thereafter be operated and managed as the MCGM may decide. The PPL may be constructed up to approximately 1,96,410 square meters and may be spread over such basement and podium areas in the Whole Project (including the Real Estate Project) as the Promoter may decide at its sole discretion. The said building/tower/s comprised in the Whole Project/Real Estate Project and the PPL may form a composite structure and will be developed by the Promoter as per the plans as may be sanctioned by the concerned authorities from time to time and therefore, the PPL shall operate as an independent unit. In this regard, it is further clarified that in the event the PPL scheme is not implemented on the Whole Project for any reason whatsoever or the PPL scheme is not built to the extent presently envisaged, then the number of basements/podiums as disclosed may reduce.
 - (ii) Apart from the Real Estate Project more specifically shown in red wash in the ALPS, the Promoter proposes to develop in one or more phases other residential buildings/structures/towers/wings along with its/their common areas, facilities and amenities in the Whole Project upon the Larger Property, more specifically shown in grey hatch, (**“Other Residential Component”**) in such manner as the Promoter may in its sole discretion deem fit.
 - (iii) Further, the Promoter has developed and further proposes to develop in one or more phases, non-residential buildings/structures/towers/wings along with their common areas, facilities and amenities upon the Larger Property (**“Non-Residential Component”**). The portion of the Larger Property upon which the Non-Residential Component has been developed and/or shall be developed in such manner as the Promoter may in its sole discretion deem fit and such areas as may be designated as

such by the Promoter are hereinafter referred to as the “**Non-Residential Portion of the Larger Property**”.

- (iv) The Promoter is entitled to designate any common areas, facilities and amenities in the Whole Project, which may be usable on a non-exclusive basis by the allottee/s of the Real Estate Project and allottees of Other Residential Component.
 - (v) Further, the Promoter is entitled to designate any common areas, facilities and amenities in the Whole Project, which shall not be available to the allottee/s of the Real Estate Project and shall be exclusively made available to and usable by such other person(s) as the Promoter may deem fit including other allottee/s/occupants in the building(s)/wing(s) of the Other Residential Component.
 - (vi) On the Larger Property including the Non-Residential Portion of the Larger Property, the Promoter also proposes to develop certain common areas, facilities and amenities which shall not be available to the allottee/s of the Real Estate Project and which shall be for the exclusive use of such person(s) as the Promoter may in its sole discretion deem fit including the allottee/s/occupants of such non-residential buildings/structures/towers/wings and such common areas, facilities and amenities shall not be available for the use by the allottee/s of the Real Estate Project and the Other Residential Component.
