Respected sir,

As mentioned above subject, I, Rohan Pradip Kediya, Chief promoter of the Proposed R.K.S. Co- operative Housing Society Ltd. Situated at above address, requesting you to please consider my above humble request regarding granting permission to extend the stipulated time of three months requiring to conduct first SGBM of our society, which duly required by the law.

But due to some unavoidable circumstances of the society members, the required quorum for the first SGBM will not be fulfill by the members within three months period of time. But unfortunately, the required criteria will be fulfill after this stipulated period of time.

Hence, this is my humble request to you, please, grant us the required extension.
