SPECIFICATION OF THE PROJECT: PARKSIDE NORTH BY BRIGADE

	Description 1 FOUNDATION	Proposed Isolated/Combined Footing
	2 SUPER STRUCTURE	RCC Frame structure
	3 BLOCK WORK 4 FLOORING	Cement solid block Masonry
RECREATION HOUSE	Waiting lounge /reception /GF Lobb	flooring. SS Grab bars in the common area.
	Staircases Other lift Lobby and corridors (upper MEP rooms	IPS floor with smooth finish
	Terrace Basement	Clay tiles with membrane water proofing VDF/IPS with smooth finish
	club): Lobby	Matt finish Vitrified tiles/ Restile or equivalent.
	Gym Multi purpose hall	Laminated Wooden Flooring/vinyl flooring Matt finish vitrified tiles
UNITS:	Living / Dining / Family / Foyer Master Bed room	Matt finish Vitrified tiles
	Other Bed rooms	Laminated wooden flooring Matt finish Vitrified tiles
	Balcony / deck Master Bed room Toilet	Anti-skid ceramic/vitrified tiles Anti-skid ceramic/vitrified tiles
	Other Bedroom Toilets Kitchen	Anti-skid ceramic/vitrified tiles Same as Living
	Utility	Anti-skid ceramic tiles
	5 WALL DADO Kitchen	provision for modular kitchen
	Master bedroom toilet Other Bedroom Toilets 6 KITCHEN	ceramic tile cladding up to false ceiling height. ceramic tile cladding up to false ceiling height.
	a. Counter b. Plumbing/Electrical	Plumbing point provision for water purifier/sink, Electrical point provision for, refrigerator point, microwave point, dishwasher point, hob point, chimney point, mixer point.
	7 TOILETS:	Jaguar/Eas Eas ar aguivalent
	CP Fittings Sanitary fixtures	Jaguar/Ess Ess or equivalent EWC: 1.common toilet-Wall mounted EWC with exposed flush tank (Cera/Hindware/equivalent). 2. Master Bedroom Toilet(senior friendly toilet) Floor mounted EWC with exposed flush tank. WASH BASIN: Wall mounted wash basin in all toilets with lever type handle faucet.
	Accessories	Mirrors ,Soap tray, toilet paper holder,basin mixer, robe hook,towel rod, health faucet (Jaquar or equivalent). Emergency pull chord to operate call system and grab bar for Master Bedroom toilet (senior Friendly toilet).
	Shower False Ceiling	Telephonic hand held shower with adjustable hose. SS/PV Foldable shower seat to be provided in Master Bedroom Toilet(senior friendly Toilet). calcium silicate boards
	8 DOORS: Main entry door - to unit	Teak/ hard wood solid door frame with both side veneer w
		teak finish shutter PU polished
	Master Bedroom door	 Hardwood frame, flush shutter with masonite skin for swind type door Flush shutter with masonite skin and guide rail/sliding track for sliding type door
	Other bedroom door	Hardwood frame, flush shutter with masonite skin
	Toilet door	 Hardwood frame, flush shutter with laminate finish for swind type door Flush shutter with laminate finish and guide rail/sliding track for sliding type door
	Balcony door	UPVC/Aluminium with bug screen
	Shaft door 9 RAILING	MS powder coated door frame with shutter.
	Balcony railing Stair Railing (Common areas)	MS railing MS railing
	10 WINDOWS	UPVC/anodised Aluminium with bug screen
	11 PAINTING & FINISHES	
	a) Exterior finish	combination of External texture paint / scratch coat with exterior emulsion.
	b) Internal ceiling common area	Oil bound distemper
	lift Lobby	Oil bound distemper
	unit ceiling	Cement paint Acrylic emulsion paint
	c) Internal wall	
	common area	Acrylic emulsion paint
	lift Lobby staircase, utility area and service a	Lift granite portal and texture paint on walls rea Oil bound distemper
	basement unit walls	Cement paint Acrylic emulsion paint
	d) steel works	synthetic enamel paint- Berger/Asian Paints or equivalent
	d) steel works 12 WATER SUPPLY/DRAINAGE	synthetic enamel paint- Berger/Asian Paints or equivalent
		synthetic enamel paint- Berger/Asian Paints or equivalent UPVC
	12 WATER SUPPLY/DRAINAGE a) Sewage Line b)Water supply	UPVC WTP
	12 WATER SUPPLY/DRAINAGE a) Sewage Line b)Water supply External piping Internal piping	UPVC WTP UPVC CPVC
	12 WATER SUPPLY/DRAINAGE a) Sewage Line b)Water supply External piping	UPVC WTP UPVC
