Важнейшим фактором, влияющим на формирование и развитие личности, является семья. Именно в семье закладываются основы личности, формируется характер, складываются ценности и убеждения. Семья является первым социальным окружением ребенка, где он учится взаимодействовать с другими людьми, вырабатывая социальные навыки и нормы поведения. Родители играют ключевую роль в формировании личности своего ребенка, являясь его первыми учителями и примером для подражания. Именно в семье ребенок учится любить, уважать, заботиться о других, что является основой для формирования здоровой личности.
