We have made the application for MahaRERA for MZ Homes Private Limited for the project namely "MZ Apartments". Application No is REA52000117990.

While making the application there was an manual error in entering Survey No. We entered mistakenly Survey No 13/B instead of the actual Survey No of 39/B. All other supporting documents are with respect to Survey No 39/B.

We are not able to make changes in the application form for Survey No. It is showing as "This Project on desk for scrutiny, can not be modified"

We hereby declare that the correct Survey No of the proposed project is "Survey No 39/B"

Yours faithfully,

FOR MZ HOMES PVT.LTD.
