Our application REA02400037690.

We, M/s. Alekhya Homes Building Systems Pvt Ltd respectfully submit to your kind attention that we have applied for registration of our project 'ALEKHYA RISE' in TS RERA and have followed all the steps in application and paid the fee.

We have received a shortfall today in which it is instructed to submit the local authority proceedings and plan – in this regard this is to bring to your kind notice that, recently upon a memo from the Principal Secretary, MAUD, TS Government the authorities in HMDA PLANNING have instructed their officials to collect the Local Municipality charges and issue the drawings directly to the project proponents and to send the communication from HMDA to the Local Authority for information as per the Government of TS orders.

Thus the HMDA itself collected the concerned Municipal (Narsingi Municipality) charges also from us and issued the permission, drawings and advised us to proceed with their Permission vide No 050229/SKP/R1/U6/HMDA/12112021 Dt.28.02.2022.and need not go to the Municipality.

In view of the above, we have applied with HMDA Permit order to the RERA. Hence, please peruse our application and issue us a registration number for our project.

Thanking you,
Yours faithfully,

For Alekhya Homes Building Systems Pvt Ltd.,

Authorised Signatory
