- 3) The Technical Approval is accorded subject to following conditions.

Tech. approval No	File No. 001331/MED/PLG/HMDA/2022, dt:12.12.2022
Owner/Applicant Address	To, M/s Fair View Constructions Rep by its partners, Sri Shah Azim Hameed & 2 Others, DAGPA M/s Jain Constructions Rep by Mr. Praveen Kumar Jain and Mr. Suresh Jain, Office at Flat No.202, 2nd Floor, Anushka Trendz, Road No.14, Banjara Hills,Hyderabad-34

1. The Multi storied Residential building Consisting of 3 blocks with 2 cellars + Stilt + 13 Upper Floors and Amenities of 2C+G+3 Upper Floors are here by technical approved under the provisions of HMDA Act 2008, G.O. Ms. No. 288 MA dt: 03-04-2008 and G.O. Ms. No.168, MA, dt: 07.04.2012 and its amendments.
 - a) After completion of works as per the approved plan, the HMDA shall release the occupancy certificate and mortgage area as per rule 26 of G.O. Ms No. 168 MA Dt. 07.04.2012.
 - b) The building plans are valid for a period of SIX YEARS (6) from the date of issue of this letter, if the work is commenced within ONE YEAR from the date of issue of this letter.

- c) With regard to Water Supply, Sewerage & Disposals system to be provided / facilitated to the proposed building, the Executive Authority shall ensure the following.
- i. The location of water supply source & sewerage disposal source are located at appropriate distance within the site preferably at 100 ft distance so as to avoid water contamination.
 - ii. The depth of the bore and size shall be limited to the minimum depth and size of existing nearby bore-well. Water shall be furnished by adding hypo-solution to maintain 0.3 to 0.4 p.p.m of residual chlorine in the sump / overhead tanks.
 - iii. Where the main Gram Panchayath drains exist, insist on connecting the treated to main existing drain by laying a sewer pipe of diameter ranging from 200mm to 300mm.
 - iv. In case where Gram Panchayath drains exist, insist on connecting the treated sewerage overflow to a natural drain or Nala with a sewer pipe of 150 mm dia.
 - v. Before allowing the overflow mentioned in (iii) & (iv) above ensure that the Sewerage of the proposed building is invariably 1st into a common septic tank constructed on as per ISI standard specification (ISI) Code No.2470 of 1985(Annexure - I) and constructed with a fixed compact bed, duly covered and ventilated for primary treatment. The Executive Authority shall ensure that no effluent / drainage over flows on the road or public place.
 - vi. To prevent chokeage of sewers/drains, the last inspection chamber within the site/premises shall be provided with safety pads/gates.
 - vii. The party should clean the septic tank periodically by themselves, and cart away the sludge, etc., to an unobjectionable place.
 - viii. All the above shall be supervised and inspected by the Executive Authority concerned for compliance during the construction stage.
- e) Since eventually the public sewerage and water supply systems are expected to be systematically added / extended by the Hyderabad Metropolitan Water Supply & Sewerage Board to the outlying areas of Hyderabad, the proposed building owners shall pay proportionate pro-rata charges to Hyderabad Metropolitan Water Supply & Sewerage Board for the above facilities as and when demanded by the Hyderabad Water Supply & Sewerage Board.
- f) The Commissioner, Gundlapochampally Municipality should ensure that the minimum width of approach/Master Plan road as indicated in the tech. approved plans and area affected in the road widening is taken over from the applicant free of cost by Gram Panchayath Municipality. The said road is developed and maintained as Black topped road with proper centre, etc.,
- g) The Commissioner, Gundlapochampally Municipality should ensure that the proposed building/complex is constructed strictly as per the technical approved building plans for this purpose shall inspect at foundation stage, plinth level, first floor and subsequent floor levels to ensure no deviations are made against the sanction plan.
- h) The Commissioner, Gundlapochampally Municipality shall ensure that all fire safety requirements are complied in accordance with the National Building Code, 2005 A.P Fire Service Act 1994.
- i) The Commissioner, Gundlapochampally Municipality shall ensure that the Party plants trees and maintain them in the periphery of the site and along the abutting roads, as avenue plantation to the extent of his site at a distance of 4 meters between each tree.
- j) The Commissioner, Gundlapochampally Municipality shall allow the proposed building complex to be occupied used or otherwise let out etc., only after;
- i) The proposed building is completed in accordance with the technically approved building plans;

- ii) After ensuring all the above conditions at (a) to (i) are complied.
- iii) After ensuring the conditions with regard to water supply and sewerage disposal system as mentioned in (d) above are complied to the satisfaction of the Executive Authority.
- k) The Commissioner, Gundlapochampally Municipality shall ensure the developer display a board at a prominent place in the site which shall show the plan and specify the conditions mentioned in this office letter, so as to facilitate public in the matter.
- l) That the applicant is responsible for structural safety and the safety requirement in accordance with the Nation Building Code, 2005. (Copy of Structural Stability Certificate enclosed).
- m) The Applicant shall develop Rain Water harvesting structures in the site under reference as per brochure enclosed.
- n) The applicant should erect temporary scheme shed to avoid spilling of materials outside the plot during the construction to stop environmental pollution to ensure safety and security of the pedestrians and neighbors.
- o) That the applicant shall made provisions for erection of Transformer and Garbage house within the premises.
- p) That the applicant/builder/constructor/developer shall not keep their construction materials / debris on public road.
- q) That the applicant should ensure to submit a compliance report to HMDA soon after completion of first floor roof level and then all the roofs are laid so as to enable to permit him to proceed further by inspection of site by
- r) That the Stilts /Cellar should be exclusively use for parking of vehicles without any partition walls and Rolling shutters and the same should not be converted or the undertaking dated.
- s) It is also hereby ordered that the copy of approved plans as released by HMDA and Executive Authority / Municipal Commissioner would be displayed at the construction site for public view.
- t) That the construction should be made strictly in accordance with this sanctioned plan. If any modifications are necessary prior approval should be obtained.
- u) That the applicant shall follow the conditions mentioned in Lr.No.177/A2/2016, dt.03-09-2015, for the proposed complex under the provisions of A.P. Fire Services Act 1994.
- v) This permission does not bar any public agency including HMDA to acquire the lands for public purpose as per law.
- w) The Owner/Applicant shall be responsible/ensure for the safety of construction workers.
- x) The Owner / Applicant shall take a comprehensive insurance policy of construction workers for the duration of construction.
- y) In large projects where it is proposed to temporarily house the construction workers on the site, proper hygienic temporary shelter with drinking water and sanitary measures shall be provided.
- z) In this case above said conditions are not adhered; HMDA/Executive Authority can withdraw the said permission.

And also Subject to the following additional conditions:
