S2 Homes' Butterfly Gardens is a BMRDA approved layout that has come up at Electronic City. It is a premium villa and villa plot development that provides excellent amenities and facilities. The gated layout comes with the finest of offerings like landscaped gardens, rainwater harvesting and sewage treatment plants. All the cables that run along the layout have been kept underground, giving it a very neat and uncluttered look. Butterfly Gardens is just 5 minutes away from all the major tech companies' offices and SEZs. Capital appreciation is guaranteed at this location.
