**SUBJECT :- IT RETURNS FOR THE LAST 3 YEARS FOR THE PURPOSE OF
REGISTERING INDIVIDUAL PROJECT IN RERA**

Dear Sir,

As I am an agriculturalist there was no Tax on the Agriculture. Now, the same land has been converted and I am developing the same as a plotted development in the name of **"GOLDEN FIELDS"**.

Only after the sales of this layout, I may have to pay the tax. After the payment , I will furnish the same to the RERA Authority.

Thanking you,

Regards
