This image shows a single page from a ledger, likely a financial or accounting record book. The page is ruled with horizontal lines and vertical lines to create columns for recording data. The columns are of varying widths, with some being wider than others, suggesting they are designed for specific types of entries. The page is numbered '18' in the bottom right corner. The overall appearance is that of a blank, ready-to-use form.

This image shows a page from a Japanese ledger, likely a 'Kashimochi' (cash book) or 'Kashimochi' (cash book). The page is organized into a grid of columns and rows. The columns are labeled with numbers 1 through 12, and the rows are labeled with numbers 1 through 12. The grid contains handwritten entries in Japanese characters, organized into columns and rows. The page is part of a larger document, with a visible binding edge on the left.
