Paul: David, would you like to go to the beach with me?

and equipment will not get the support to all
other business needs.

There are two aspects of personnel management
which are, in my view, the most important. The first is the
selection of the personnel to be employed. The second is the
training of the personnel to be employed. The first is the
selection of the personnel to be employed. The second is the
training of the personnel to be employed.
