

### DATA STATEMENT FOR BUILDING

| NO. | NAME        | AREA (SQ. M) | VOLUME (CU. M) | HEIGHT (M) | NO. OF FLOORS | NO. OF UNITS | NO. OF PARKING SPACES |
|-----|-------------|--------------|----------------|------------|---------------|--------------|-----------------------|
| 1   | Building 1  | 1000         | 10000          | 10         | 5             | 50           | 10                    |
| 2   | Building 2  | 1200         | 12000          | 10         | 6             | 60           | 12                    |
| 3   | Building 3  | 1500         | 15000          | 10         | 8             | 80           | 15                    |
| 4   | Building 4  | 1800         | 18000          | 10         | 10            | 100          | 18                    |
| 5   | Building 5  | 2000         | 20000          | 10         | 12            | 120          | 20                    |
| 6   | Building 6  | 2200         | 22000          | 10         | 14            | 140          | 22                    |
| 7   | Building 7  | 2500         | 25000          | 10         | 16            | 160          | 25                    |
| 8   | Building 8  | 2800         | 28000          | 10         | 18            | 180          | 28                    |
| 9   | Building 9  | 3000         | 30000          | 10         | 20            | 200          | 30                    |
| 10  | Building 10 | 3200         | 32000          | 10         | 22            | 220          | 32                    |

### PARKING STATEMENT

| NO. | NAME            | AREA (SQ. M) | TYPE        | NO. OF SPACES |
|-----|-----------------|--------------|-------------|---------------|
| 1   | Open Parking    | 1000         | Open        | 100           |
| 2   | Covered Parking | 1200         | Covered     | 120           |
| 3   | Mini Market     | 1500         | Mini Market | 150           |
| 4   | Building 1      | 1000         | Building    | 100           |
| 5   | Building 2      | 1200         | Building    | 120           |
| 6   | Building 3      | 1500         | Building    | 150           |
| 7   | Building 4      | 1800         | Building    | 180           |
| 8   | Building 5      | 2000         | Building    | 200           |
| 9   | Building 6      | 2200         | Building    | 220           |
| 10  | Building 7      | 2500         | Building    | 250           |
| 11  | Building 8      | 2800         | Building    | 280           |
| 12  | Building 9      | 3000         | Building    | 300           |
| 13  | Building 10     | 3200         | Building    | 320           |

### DATA STATEMENT FOR BUILDING

| NO. | NAME        | AREA (SQ. M) | VOLUME (CU. M) | HEIGHT (M) | NO. OF FLOORS | NO. OF UNITS | NO. OF PARKING SPACES |
|-----|-------------|--------------|----------------|------------|---------------|--------------|-----------------------|
| 1   | Building 1  | 1000         | 10000          | 10         | 5             | 50           | 10                    |
| 2   | Building 2  | 1200         | 12000          | 10         | 6             | 60           | 12                    |
