Subject: Declaration with respect to applicability of Quality Assurance Certificate in form 2A.

Respected Sir,

We are the promoters for the Life Republic Sector R16 - 16th Avenue Project having **MahaRERA Registration No. P52100009640**

The project was registered on 22/08/2017. As per MahaRERA order no 05//1101/2018 dated 26/11/2018, the requirement of quarterly quality assurance certificate was introduced. The order prescribed that the Promoters who would register their project after 01/12/2018 should submit quarterly information in Form 2A annexed to the order.

We hereby humbly submit that the promoter has not registered the said project after 01/12/2018, therefore the requirement of submission of quarterly information in Form 2A is not applicable.

Thanking you,

Yours truly,
