DEVELOPER'S COPY

The site plan illustrates the layout of the proposed 100-unit residential building, divided into Wing A and Wing B. Wing A is a larger, more complex structure with multiple levels and an entrance porch, while Wing B is a smaller, more linear building. The plan includes extensive parking areas, including a shaded parking lot and a 9.00m wide driveway. The building is situated on a corner lot, with a 10.00m wide fire tender driveway running along the street frontage. The plan also shows various setbacks, easements, and utility lines. Key features include:

- Wing A:** A large, multi-level building with an entrance porch and multiple levels of parking.
- Wing B:** A smaller, linear building with multiple levels of parking.
- Parking:** Extensive parking areas, including a shaded parking lot and a 9.00m wide driveway.
- Streets:** The building is situated on a corner lot, with a 10.00m wide fire tender driveway running along the street frontage.
- Setbacks and Easements:** The plan shows various setbacks, easements, and utility lines.
