Respected Authority,

We, Suyog Structures firm have applied for RERA registration of project named Gulmohar Primrose.

We have received the completion Certificate no 1235/16-17 dated 23rd March 2018 for Sunflower- Wing A and 30th July 2019 for Aster-Wing D respectively, for the said project. Whereas, according to circular no. 25/2019 issued by Revenue department on 11th October 2019, registration of Agreement to sale / Sale Deed of any apartment will be done only if the project is registered or excluded under Real Estate (Regulation and Development) Act 2016. According to said circular the sub registrar is not accepting our registration without RERA certificate. Only for registration of agreements we are registering the said project under RERA.

Thanking You,

Mr. RAJKUMAR CHAMANLAL BEHR
Partner of Suyog structures.
