19/07/2023

Dear Sir / Ma'am ,

In our project, NICON VISTA - BUILDING NO. 8, WING G AND H, in the Land Area/ Project Area section, we have put in 7481.58 sq. mts, instead of 713.13 sq. mts which is highlighted in the approved plan No. VVCMC/TP/AMEND/VP/0329, 0815 & 0509/251/2022-23, dated 29/07/2022 (sheet 1), which is already uploaded.

As we can no longer make changes in Plot Area / Project Area section we kindly request you to consider 713.13 sq. mt. as our plot area / project area and oblige.
