Sir,

Sub. Issue of NOC for arranging power supply to an extent of 1440kW (1694KVA) to the proposed Residential Layout in favour of M/s Afnan constructions, Sy No.95, Shivakote, Hesaraghatta Hobli, Yelahanka, Bangalore in N9 Sub division of Jalahalli division- Reg

Ref: Superintending Engineer El, BNC ltr No : SEE/BC-N/EE (O)/AEE (O) 10090-91 Dated: 12.02.2025

With reference to the above subject proposal, No objection Certificate is hereby issued for arranging power supply to an extent of 1440kW (1694KVA) to the proposed Residential Layout in favour of M/s Afnan constructions, Sy No.95, Shivakote, Hesaraghatta Hobli, Yelahanka, Bangalore in N9 Sub division of Jalahalli division subject to the following conditions:

Main Source - It is proposed to tap from the existing F3 Shivakote feeder from the 66/11KV Soladevanahalli MUSS by laying 3*400Sqmm XLPE HTUG cable to a distance of 0.9Kms upto the applicant premises..

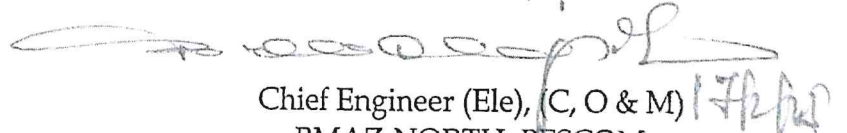

Alternate Source - It is proposed to tap from the existing F7 Silvepura feeder from the 66/11KV Soladevanahalli MUSS by laying 3*400Sqmm XLPE HTUG cable to a distance of 3Kms.

You shall make power supply arrangements as follows:

1. The 11 kV distribution network shall be executed as per BESCOM standards practice.
2. The validity of NOC is for ONE year from the date of this approval letter and the connectivity will be reviewed at the time of sanctioning regular power supply.
3. Metering details for the said installation shall be communicated based on the Contract demand when approached for regular connectivity.
4. If your requirement exceeds 7500 KVA, you shall commission a 66/11 kV MUSS in your premises under self-execution. You shall leave vacant land/space of about 50 mtsX 80 mts for this purpose without constructing any building and the same shall be earmarked in the approval plan.

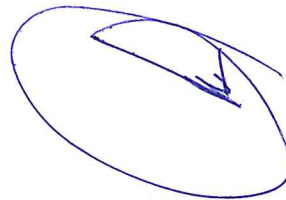

5. BESCOM in any way is not responsible for any kind of problems that may arise due to this NOC.
6. 66KV EHT line passes through the applicant's premises; applicant has to obtain necessary clearance from KPTCL authorities as per prevailing KPTCL norms before availing power supply.
7. Proposal for power sanction in future which may come in the said applicant's premises, the regular and alternate source will be provided based on the technical feasibility report at that time.
8. In future, at the time of applying for Power supply in the said premises, the consumer shall mandatorily follow the prevailing KERC/BESCOM Rules and Regulations without fail.
9. Power supply will be arranged based only on BESCOM norms, to any various buildings that may come up in future inside the consumer's premises.
10. The purpose of issuing this NOC is only to obtain sanctioned plan from BDA or BBMP or any other Competent Authorities and this is not a binding on BESCOM for arranging power supply. Power supply will be arranged in future based only after reexamining the latest Technical feasibility as per BESCOM norms.

Yours faithfully
