**NOC APPLICATION FOR THE PROPOSED CONSTRUCTION
OF RESIDENTIAL BUILDING AT MYLAPORE VILLAGE**

Dear Sir,

1. Reference is made to your application seeking No Objection Certificate (NOC) from the IAF for construction of residential building.
2. The application has been scrutinized as per Air HQ policy guidelines in vogue which are uploaded on IAF website <https://indianairforce.nic.in>. As per Para.6 of GSR 751 (E), The area around the Aerodromes/ Airfield are divided into Color Coded Zoning Map (CCZM) for ease of obtaining NOC. Your Application for construction of Multi Storied residential building falls in Yellow Zone of CCZM map. Building/ Installations having height more than 144 M, AMSL in Yellow zone are required to be processed with Indian Air Force (IAF) for obtaining NOC. However, the proposed building height is 46.46M, AMSL (structure Height: 37.50 M + Site Elevation: 2.96 M + Crane Height: 06 M), thus, it falls in the jurisdiction of Local Municipal Authority (LMA). It is, therefore, requested to forward the application directly to Local Municipal Authority (LMA) for obtaining NOC. Subsequently, a copy of the NOC issued by LMA shall be forwarded to this office for future reference.
3. Due to the location of the site close to Chennai airport, **NOC is also to be obtained from Airport Authority of India (AAI), Chennai.**
4. In view of the above, the application is returned un-actioned. You are advised to forward the application to your LMA as per the GSR 751(E) for obtaining NOC.
5. For information and necessary action, please.
