

About the Promoter

J.R Housing was founded by Mr. S. Jagadeesswara Reddy, who is the Managing Director, with over 20 years of experience in the field of real estate and township development, he is also the vice president of Karnataka Land Developer's Association (KLDA).

The company has delivered over 15 million square feet of beautifully developed residential townships to the satisfied customers spread all over India and abroad. The company has a huge clientele from different walks of life, while the majority being from the blue chip companies. The quality, maintenance and post sales support of the projects developed by the company has attracted this profile of returning customers to invest in their projects. Thousands of happy clients are a testament to the reputation the company has earned today.

Master Plan

Well Connected

JR Habitat is 300 meters from the upcoming 300ft wide intermediate ring road that connects Anekal, Hosur Road and Sarjapura Road. The project is adjacent to our other well developed projects JR Garden Retreat, JR Coconest and JR Greenpark. Located in prime residential area attached to an existing settlement, makes it an ideal project for investment or immediate living.

Proximity

Electronics City - 11KM
Suryanagar (KHB) - 2KM
Alliance University - 5KM
Anekal - 9KM
Shopping Mall - 4KM
Proposed Metro Station - 6KM
Chandapura Anekal Road - 1KM
Bangalore-Hosur Road - 3KM
