No.PCB/40/MDP/2013/HD No. 48416/ *P.H.12* Date: 10 MAY 2013

Sub: Issue of consent for establishment of the Board under Water & Air Acts for your project at Sy. No. 75/2, Balegere Village, Varthur Hobli, Bengaluru East Taluk - Reg.

Ref: 1.CFest application submitted by the project proponent vide help desk no. 48416, dated 09.04.2013.
2. Inspection of your project site by the undersigned on 25.04.2013.

With reference to the above subject, the consent for establishment application submitted by you vide ref(1), is incomplete and can not be processed for want of the following reasons:

1. Not submitted partnership deed.
2. The building drawing submitted is not signed by the project proponent.
3. Not submitted legible copies of land documents and survey sketch.
4. STP location proposed below ground level is not acceptable.

In view of the above, the application submitted by you cited under ref (1) is treated as incomplete and can not be processed. Hence, the same is herewith returned for resubmission along with the above details and compliance to the above observations immediately.

Note that, discharging effluents / emissions without the valid consent of the Board attracts penal provisions under section 44 of Water Act, 1974.
