## Tanmathra Ventures – The Elements of Life!

The place called 'home' has always been the primordial need and relentless pursuit of humankind. Over the years, many a dream has been dreamt and many a dream realized. Thanks to the efforts of Tanmathra Ventures, a company that has 'Making Dreams Tangible' as its underlying ethos and essence of all its operations.

### Why us..?

Tanmathra Ventures is a company with a difference! At Tanmathra, it is not always about edifices, but also about building communities for leading meaningful and enriched lives in an environment of harmony and peaceful coexistence with the cosmos.

"Homes are central to People's lives. The quality of what people experience in a building depends on the quality of the people involved in designing, developing and constructing it"

### – Team Tanmathra

## TANMATHRA MEADOWS

Transforming your wishes into reality is Tanmathra Meadows . A sprawling 76,230 Square feet of land, with lots of greenery and open spaces. At Meadows, We have made the deliberate choice of being close to nature. With 67% open area, abundant greenery and landscaping, the project offers a serene place for your dream home.

Tanmathra Meadows is unique in many ways. Bucking the trend of high rises, the project has only 60 Villaments spread across 15 blocks. Each Villament is a 3 BHK with two covered car parks. The Homes are surrounded by an abundance of verdant greenery.

Located on NH207 on the Attibele - Sarjapur road,

**Tanmathra Meadows** is a mere 1km from the proposed Infosys campus and has the land earmarked for the Azim Premji University as its privileged neighbor.
