The Secretary  
Real Estate Regulatory Authority Karnataka (RERA – Karnataka)  
Bangalore

Dear Sir:

Re: REQUIREMENT OF KHATA CERTIFICATE FOR PLOTTED DEVELOPMENT

This is in reference to our new application for Project Registration with RERA in the name of "CONFIDENT LILIAN PHASE II" and the requirement of KHATA certificate along with the documents to be submitted.

Since this is a plotted development of the Project and we will be getting KHATA only after the completion of full development, we are unable to furnish the KHATA certificate for the present. However, we are uploading the RTC in lieu of KHATA certificate for your necessary use.

We hereby undertake to furnish all the necessary KHATA certificate after the completion of development of project, as per requirement.

We shall appreciate your doing the needful.

Your faithfully

Confident Projects (India) Private Limited

Authorized Signatory
