Architectural drawing showing a detailed floor plan of a building, likely a school or institutional structure. The plan includes numerous rooms, corridors, and a central hall. The drawing is oriented vertically on the page. The right side of the image shows a continuation of the plan, including a large hall and several smaller rooms. The drawing is a technical sketch, showing walls, doors, and furniture placement. The overall layout is symmetrical, with a central corridor running through the middle of the building. The drawing is a technical sketch, showing walls, doors, and furniture placement. The overall layout is symmetrical, with a central corridor running through the middle of the building.
