Bangalore - 70

No DE/SAN/BG/S-11/VOL XVI/14 Dated @ BG-41 THE 02/06/2017

Subject: No objection Certificate (NOC) for High raised Building.

Ref: Your application received dtd. 29.05.2017

1. Survey & Access Division, WMS compound, Bangalore - 41 has "No Objection" for issuing clearance for proposed construction of Commercial and Residential Building of Smt. B.S. Susheela Ramamurthy, #2240, 23rd cross, BSK 2nd stage, BG - 70 herein after referred to as the applicants at property bearing Sy.no 15/2, Doddakalasandra Village, Uttarahalli, Bangalore to a maximum height of 50meters only above ground level, so that the top of the proposed structure when erected shall not exceed 928meters above Mean Sea Level i.e. 878MSL. In meters (Site Elevation) + 50Mts. (Height of the structure).
composition of the building :- 2. Basement + Ground Floor + 13 Upper floors + Terrace floor + Stair case Head Room + Lift Machine Room + Over Head Water Tank + Lightning Arrestor + Helipad at the above premises with a maximum height of 50meters only.
2. This No Objection Certificate is being issued on the express understanding that the elevation reduced level (height above Mean Sea level) viz. 878meters, relative location of the proposed building/ structure and its distances and bearings as tendered by the applicant(s) are correct and the proposed building will not cause any physical obstruction to Bharat Sanchar Nigam Ltd. 66Hz-7GHz, 11GHz working/planned schemes by STD. date. If however, at any stage it is established that the said data as tendered by the applicant is actually different from the one tendered and which could adversely affect BSNL operations, the structure or part (s) thereof in respect of which this "NOC" is being issued will have to be demolished at his own cost as may be directed by BSNL authorities. The applicant(s) is /are therefore advised in his/their own interest to verify the elevation and other data furnished for the site before embarking on the proposed construction.
3. No radio/TV antenna, lightning arresters, staircase, Munties, overhead water tank and attachments or fixtures of any kind shall project above the height indicated in PARAS.
4. The certificate is valid for a period of five years from the date of its issue. If the building or structure/chimney is not completed within the above mentioned period of five years, he/they will be required to obtain a fresh "No Objection" certificate from the department. If the building is completed within the above period, the applicant is intimated to do so.
5. This "NOC" is for the information only. Any clarification about the above construction "NOC" will be entertained.
6. This certificate is not a guarantee for the construction of the building.
