Title

1. Maharashtra Housing Board ("MHB"), a predecessor in title of Maharashtra Housing and Area Development Authority ("MHADA") was the owner of the said Land.
2. Between the years, 1962 and 1964, MHB constructed the said Buildings comprising of the said Flats on the said Land and allotted and sold the said Flats under the said "Middle Income Group Housing Scheme". MHB had allotted the said Flats in the said Buildings to the allottees on a "Hire-Purchase" basis ("**the said Allottees**"). 17. Pursuant to a Special General Body Meeting of the Society held on 9th October, 2010, the Society approved the drafts of the Development Agreement, Power of Attorney, Consent Letter, Bank Guarantee and Indemnity in the manner provided therein and authorised any two of the following office bearers mentioned therein to execute and registered the Development Agreement on behalf of the Society in favour of the Developer:
18. The Deed of Modification was not registered within the timelines prescribed under the India Registration Act, 1908, hence by and under a Deed of Confirmation executed between the Society and the Developer on 29th September 2015 and registered with the office of Sub-Registrar of Assurances under Serial No. BDR-17/8114 of 2015, the Society and the Developer have confirmed the terms and conditions of the Deed of Modification in the manner provided therein ("**Deed of Confirmation**"). It appears that the Society and the Developer inadvertently attached only page 1 (out of 5 pages) of Annexure 8 and page 1 (out of 4 pages) of Annexure 9 to the original Deed of Confirmation to the Deed of Modification. Therefore, by and under a Deed of Rectification to the Deed of Confirmation executed between the Society and the Developer on 30th September 2015 and registered with the office of Sub-Registrar of Assurances under Serial No. BDR-17/8119 of 2015, the Society and the Developer confirmed the balance 4 pages of Annexure 8 and balance 3 pages of Annexure 9 to the Deed of Modification dated 23rd August 2014 as though the same were always part of the Deed of Modification dated 23rd August 2014, in the manner provided therein ("**Deed of Rectification**").

Regulations) ("**the Project**") and to receive the realisation on such marketing of the Developer's Premises (as defined in the Development Agreement) on its own account and for its own benefit, subject to the terms and conditions provided under the Development Agreement. The term Developers Premises has been defined as the area not exceeding the difference between 9,75,992 square feet FSI as defined in Article 2.1 and the Rehabilitation Premises of 2,51,040 square feet Carpet Area, available to the Developer for exploitation in terms of the Development Agreement;

However, by and under Letter dated 11th February, 2015, the Developer has waived the provision requiring the Developer to furnish the performance guarantee only upon 150 Members vacating their respective flats and depositing their keys with the Society and stated, *inter-alia*, that the Developer is ready and willing to furnish the performance guarantee at this stage without 150 Members vacating their respective flats and depositing their keys with the Society as provided in the Deed of Modification.
28. On 20th June, 2015 the Developer handed over the Performance Guarantee to the Society and simultaneously, the Society handed over keys in respect of 149 units to the Developer.
